Peer Review

YOUR NAME: _____ **DATE:** _____

PORTFOLIO OWNER: _____

Look through the artwork in the portfolio you are reviewing. If you are looking through actual pieces of art, be sure to handle the artwork carefully and with respect. Treat it as you want your artwork treated.

1. Of all the images, which one "catches your eye"?
   Explain why. Give details about the elements and principles of art used. (line, shape, color, texture, value).
   Be sure to use examples and be specific about the use of the design elements and principles.

2. Select one work or a series of works that you believe shows good skill and use of techniques. Explain your choice. Be specific.

3. What are the strengths of this portfolio? Refer to the scoring criteria from CollegeBoard as the criteria for responding to this question.

4. Of all the images, which one is weak or lacks resolution?
   Explain why. Give details about the elements and principles of art used. (line, shape, color, texture, value).
   Be sure to use examples and be specific about the use of the design elements and principles.

5. Select one work or a series of works that you believe shows ***lesser*** skill and use of techniques. Explain your choice. Be specific.

6. What are the ***weaknesses*** of this portfolio? Refer to the scoring criteria from CollegeBoard as the criteria for responding to this question
