

Writing an Artist Statement

Name:

Goals ...

To use writing to help students clarify what their projects are, why they are interested in them and how they accomplish them.

To help AP Studio Art students write their concentration statements to accompany, to verbally articulate the concentration portion of their AP Studio art portfolio.

Worksheet

Describe your art project(s). What kind of images are they?

What are you trying to show and say in your images?

Why do you like to draw, to design, to take photographs?

AP Studio Concentration Prompt

Briefly define the nature of your Concentration project.

Briefly describe the development of your Concentration and the sources of your ideas. You may refer to specific slides as examples.

What medium or media did you use?
